

⚠ Workplace safety isn't optional – it's non-negotiable.

Whether you're in finance, healthcare, retail, logistics, or education, every industry faces its own compliance and safety risks. Ignoring them costs more than just penalties- it puts people and reputations at risk.

At Diba BES, we make compliance simple and effective through:

- ✓ SACPCMP-registered OHS Consulting
- ✓ Environmental compliance & sustainability solutions
- ✓ Accredited OHS Training (SACPCMP & HWSETA)

Our approach is designed to protect your people, safeguard your assets, and future-proof your business.
