

SACPCMP Validated First Aid Level 1 Training

Advance Your Professional Journey with SACPCMP-Validated First Aid Training 🚚

Diba BES is proud to offer our First Aid Level 1 course, validated by SACPCMP and designed to meet workplace health and safety standards across South Africa. 🇿🇦

In this practical and engaging 2-day (16-hour) training, you'll:

- 🧠 Learn life-saving first aid techniques, including CPR and AED use
- 🔧 Respond effectively to workplace injuries and emergencies
- 👨‍⚕️ Manage serious incidents like heart attacks, strokes, and allergic reactions
- 📄 Understand legal requirements and responsibilities in the workplace
- 🎓 Boost your professional credibility with SACPCMP validation that enhances your career path

Don't miss this opportunity to gain vital skills and contribute to a safer, more responsive work environment.

👉 Ready to make an impact? Enroll now and take your safety skills to the next level!
